Europe	EP 1 071 055 B1	Yoshlike et al.

U.S. Patent Application Serial No. 10/668,093
Supplemental Information Disclosure Statement
Page 2 of 2

In accordance with 37 CFR § 1.98, a copy of the document is enclosed for the express purpose of providing the Patent and Trademark Office with ample opportunity to evaluate the same and arrive at an independent assessment of the materiality, if any, to the examination of the above-identified application. The copy being submitted with this Information Disclosure Statement is the best copy available at this time.

The identification of the document herein is not intended to be, and should not be understood as being, an admission that such document, in fact, constitutes "prior art" within the meaning of applicable law.

Applicant submits this statement in accordance with their duty of disclosure under 37 CFR §1.56. This statement is filed in accordance with 37 CFR 1.97(b), before the mailing date of a first Office Action after the filing of a Request for Continued Examination.

Applicant respectfully requests that the document cited herein be made of record in the normal manner and that such document appear on the printed patent as being considered and made of record.

Respectfully submitted,

Date: 8-24-05

Examiner	Date Considered
----------	-----------------

Examiner: Initial if citation considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.
